

Registering your School Continued

Click "New School Request"

Select the Certs you'd like to issue

Finally, Click "Submit Request"

Note: NC3 will receive your request and contact your Snap-on rep to verify equipment.

New School Request

Certifications > New School Request

Thanks for your interest in issuing NC3 Certifications. If you are an Instructor who has undergone NC3 Train-the-Trainer preparation and your school has been certified with the proper equipment, please let us know which certifications you are interested in beginning to issue to your students. We will verify your eligibility and get back to you within approximately one week with a response to your request.
